ARRIVAL

Sermon Series :: Luke
Speaker :: Mike Tatlock
Date :: December 2, 2012
Scripture :: Genesis 3:14-15, Luke 1:27-35

What disappointments are you struggling with this advent season; this year?

Do you believe God is fighting for you? What would it take for you to believe that?

God wants to use you! Fully, right now - in spite of what else may be happening in your life. How do you open yourself to allowing God to use you daily?

This advent season - believe that Jesus is the answer to our salvation and the Holy Spirit is the answer to our daily living - and you are Gods answer to spreading His Love and His Word!! If you struggle believing this - pray and ask for that belief.
