WHEN GOD IS NOT CONVENIENT

Sermon Series :: Advent
Speaker :: Mike Tatlock
Date :: December 9, 2012
Scripture :: Luke 1:39-41

Mary was blessed because Elizabeth understood her and could relate to her. Have you had the experience of someone being able to say, 'I know, i've been there too.' How could you leverage your life experiences to bless others?

"When God shows up in our lives it is not always convenient." Have you had times in your life where this was extremely evident?

What if you replace your worry with worship? How would that change your life? Would that change your outlook on God?

Mike talked about the struggle that many of us have with shame. What has been that issue in your life? God doesn't want any of us to live in a place of shame. Pray now and ask for help to believe His forgiveness and grace.
