1st Service

These questions were written based on Donald's first service message not realizing that first service and second service were going to be fairly different talks. Sorry for the inconvenience.

Series: Love TM

Speaker: Donald Miller

Title: The Nature of Love

1. What did God speak to your heart about what Donald Miller said Sunday?
2. Talk about what impacted you when Donald was speaking about the first paradigm shift, **Other People Exist**. How in your life have you seen people like "the city bus?" How, specifically, is God directing you to truly love the people in your life?
3. Talk about what impacted you when Donald was speaking about the second paradigm shift, **Nobody Will Listen To You Unless They Know You Like Them**. How would you evaluate your authenticity with the people in your life? Do people in your life feel like you truly like/love/care for them as opposed to behaving in a manner of what they can do for you?
4. Talk about what impacted you when Donald was speaking about the last paradigm shift, **Nobody Will Listen To God Unless They Know That God Loves Them**. When you talk with people about God, do you feel like you are answering the question Donald says all people ask, "What's wrong with the world and how can we fix it?" Or do you feel like you are trying to answer the question Donald says we need to stop trying to answer, "What is our purpose?"
